

Describe 3D objects by flat and curved surfaces

**1**

Does this 3D shape have any flat surfaces?

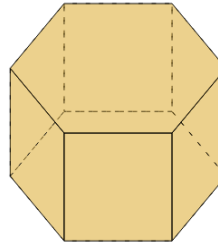

A No

B Yes

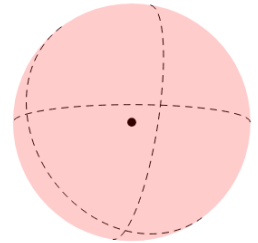

2

Which shape has a flat surface?

A

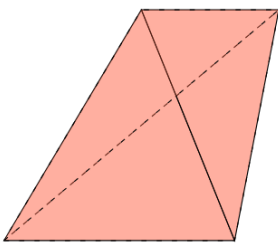

B

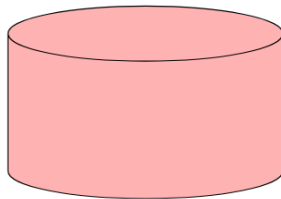

**3**

Which shape has 2 flat surfaces?

A

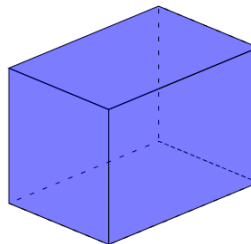

B

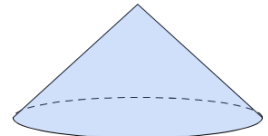

**4**

Which shape has a curved surface?

A

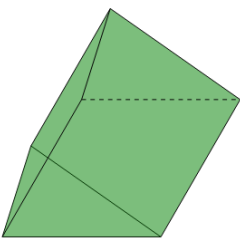

B

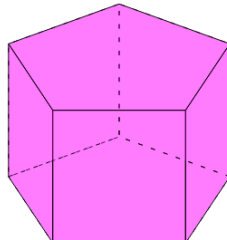

**5**

Which shape has 5 flat surfaces?

A

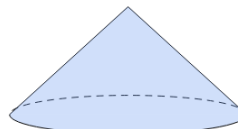

B

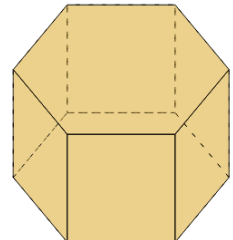

**6**

Which shape has a curved surface?

A

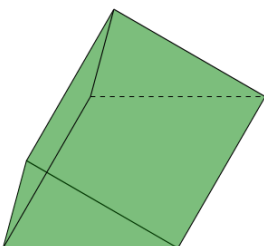

B

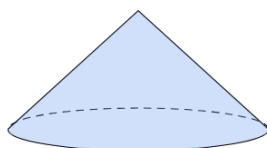

**7**

Which shape has 1 curved surfaces?

A

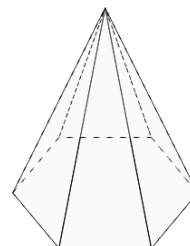

B

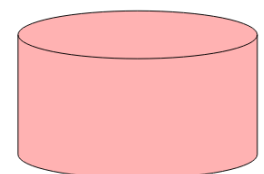

**8**

Which shape has a curved surface?

A

B

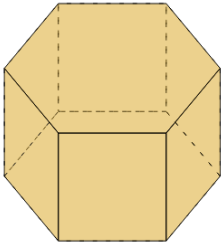

Describe 3D objects by flat and curved surfaces

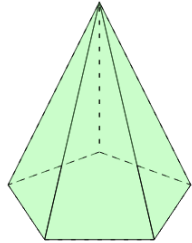

**9**

Which shape has 8 flat surfaces?

A

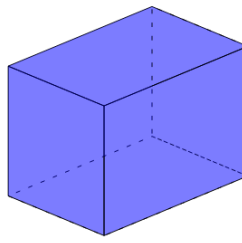

B

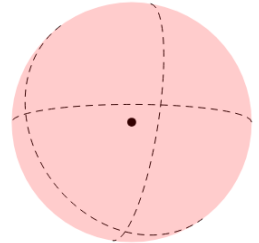

**10**

Which shape has a flat surface?

A

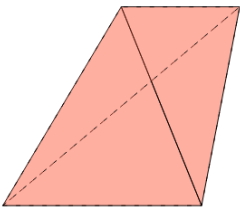

B

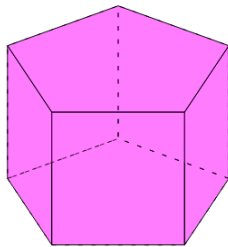

**11**

Which shape has 7 flat surfaces?

A

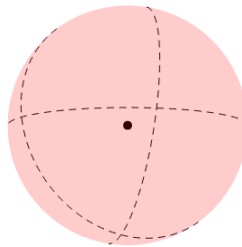

B

**12**

Which shape has a flat surface?

A

B
