

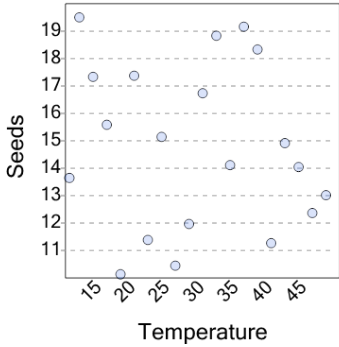

# Graphing - Scatter Plot (Linear) - Graph to Axis Name (Independent/Dependent)

1

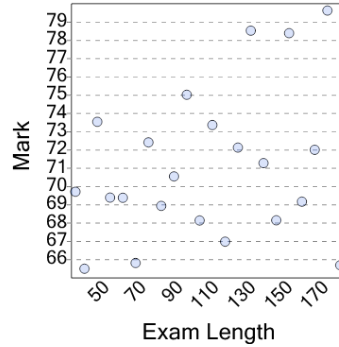

What is temperature called on this scatter plot?

A Independent Variable

B Dependent Variable

2

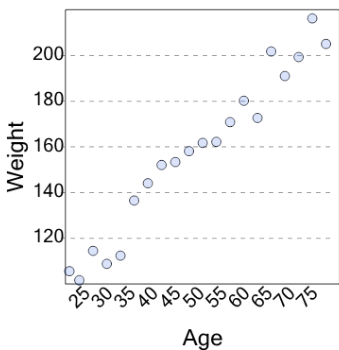

What is exam length called on this scatter plot?

A Independent Variable

B Dependent Variable

3

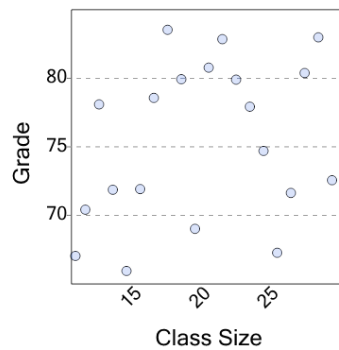

What is age called on this scatter plot?

A Independent Variable

B Dependent Variable

4

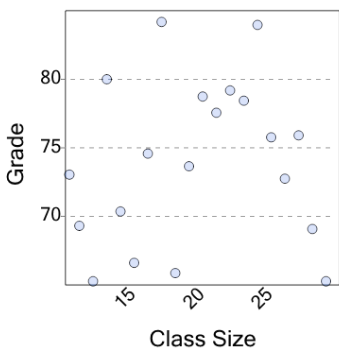

What is class size called on this scatter plot?

A Independent Variable

B Dependent Variable

5

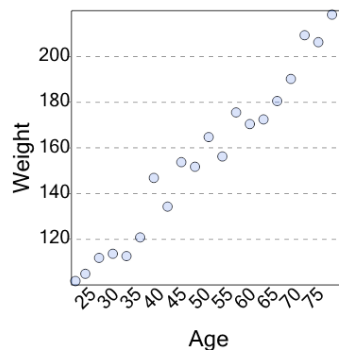

What is class size called on this scatter plot?

A Independent Variable

B Dependent Variable

6

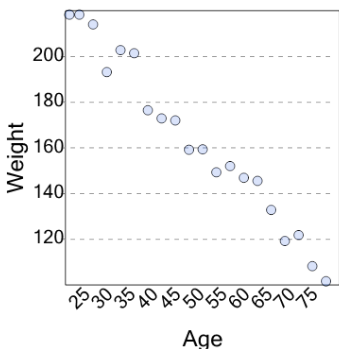

What is age called on this scatter plot?

A Independent Variable

B Dependent Variable

7

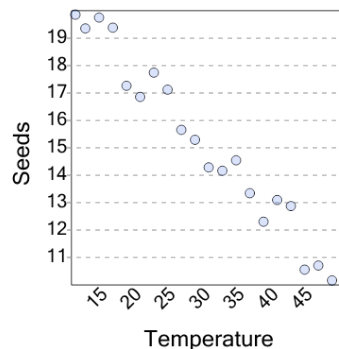

What is weight called on this scatter plot?

A Independent Variable

B Dependent Variable

8

What is temperature called on this scatter plot?

A Independent Variable

B Dependent Variable
