

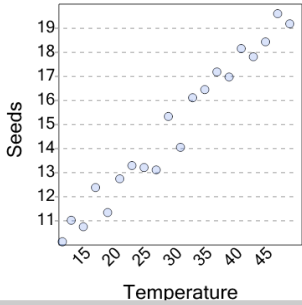

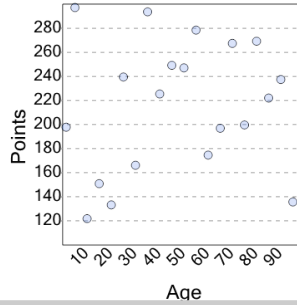

Graphing - Scatter Plot (Linear) - Graph to Correlation Strength

1 What is the correlation strength on this scatter plot?

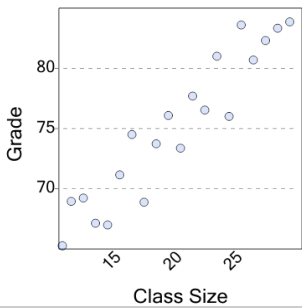

- A strong correlation
- B no correlation
- C weak correlation

2 What is the correlation strength on this scatter plot?

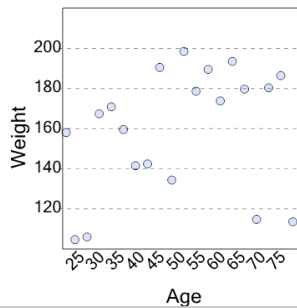

- A strong correlation
- B no correlation
- C weak correlation

3 What is the correlation strength on this scatter plot?

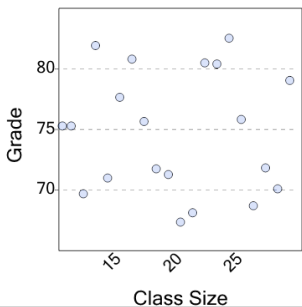

- A weak correlation
- B strong correlation
- C no correlation

4 What is the correlation strength on this scatter plot?

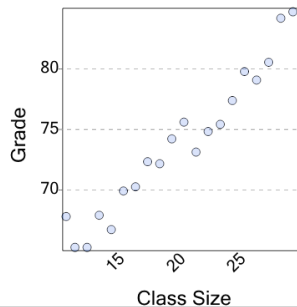

- A strong correlation
- B weak correlation
- C no correlation

5 What is the correlation strength on this scatter plot?

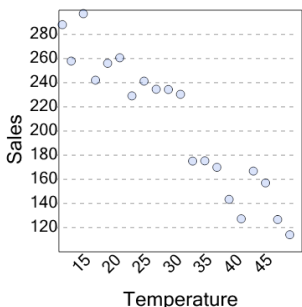

- A strong correlation
- B no correlation
- C weak correlation

6 What is the correlation strength on this scatter plot?

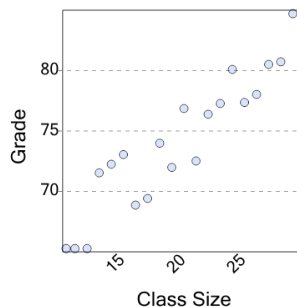

- A no correlation
- B strong correlation
- C weak correlation

7 What is the correlation strength on this scatter plot?

- A no correlation
- B weak correlation
- C strong correlation

8 What is the correlation strength on this scatter plot?

- A strong correlation
- B no correlation
- C weak correlation
