

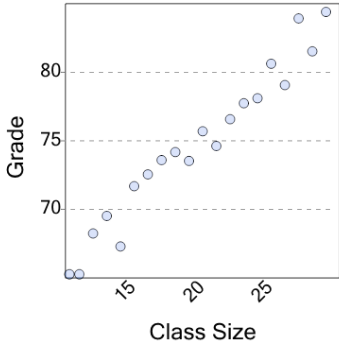

Graphing - Scatter Plot (Linear) - Graph to Response Variable

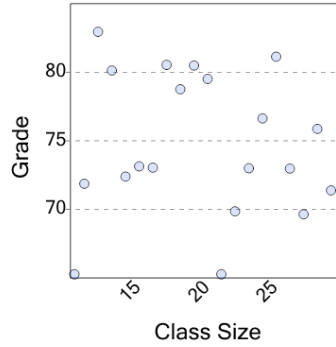

1

What is the response variable on this scatter plot?

A	B
Grade	Class Size

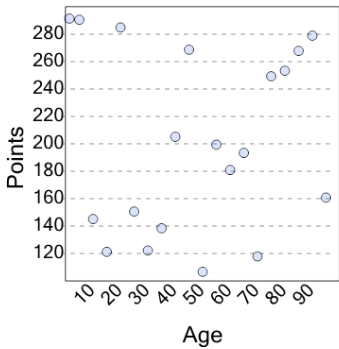

2

What is the response variable on this scatter plot?

A	B
Class Size	Grade

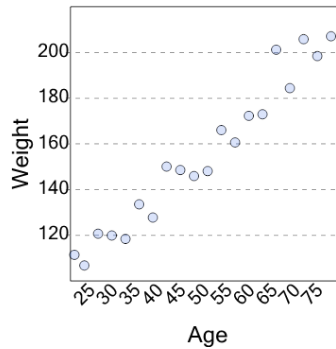

3

What is the response variable on this scatter plot?

A	B
Points	Age

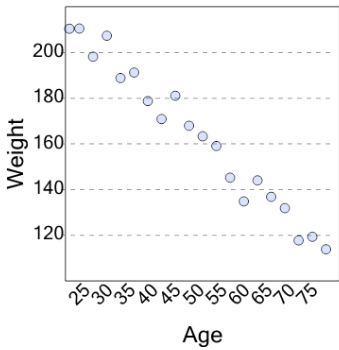

4

What is the response variable on this scatter plot?

A	B
Age	Weight

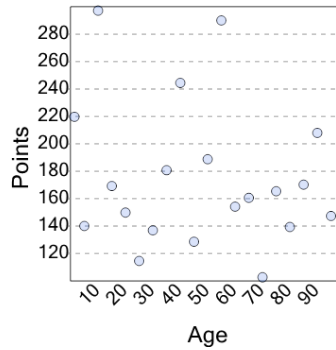

5

What is the response variable on this scatter plot?

A	B
Age	Weight

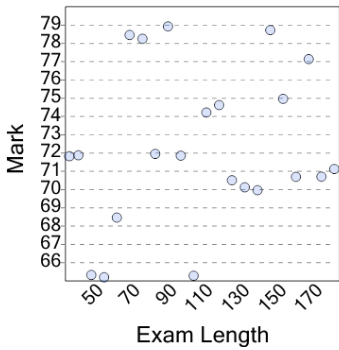

6

What is the response variable on this scatter plot?

A	B
Points	Age

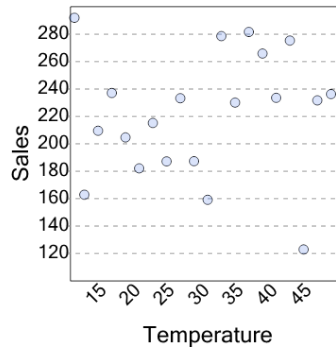

7

What is the response variable on this scatter plot?

A	B
Mark	Exam Length

8

What is the response variable on this scatter plot?

A	B
Sales	Temperature
