

Multiplication Area Model - Twenties to Total from Sum

1 Use the area model to find the product of 23 and 9

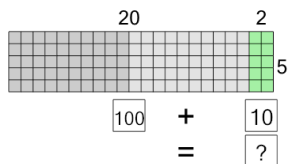

A	B	C	D	E	F
202	209	204	207	211	205

2 Use the area model to find the product of 22 and 6

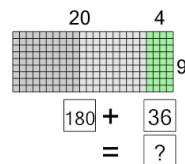

A	B	C	D	E	F
134	132	127	130	135	136

3 Use the area model to find the product of 22 and 5

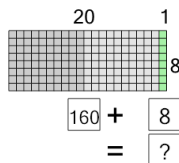

A	B	C	D	E	F
114	113	107	105	108	110

4 Use the area model to find the product of 24 and 9

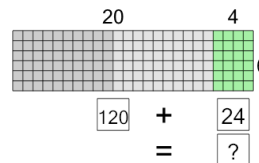

A	B	C	D	E	F
219	211	213	216	220	214

5 Use the area model to find the product of 21 and 8

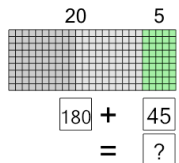

A	B	C	D	E	F
171	172	168	164	170	165

6 Use the area model to find the product of 24 and 6

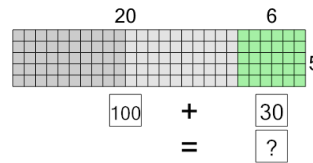

A	B	C	D	E	F
140	148	142	144	147	146

7 Use the area model to find the product of 25 and 9

A	B	C	D	E	F
221	228	227	220	222	225

8 Use the area model to find the product of 26 and 5

A	B	C	D	E
127	130	134	126	132
