

Multiplication Area Model - Twenties to Total

1 Use the area model to find the product of 25 and 8

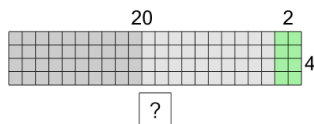

A	B	C	D	E	F
200	204	202	195	197	198

2 Use the area model to find the product of 24 and 7

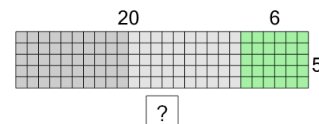

A	B	C	D	E	F
164	172	168	170	171	165

3 Use the area model to find the product of 22 and 4

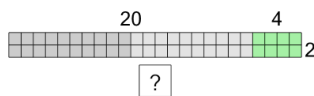

A	B	C	D	E	F
91	88	92	90	84	83

4 Use the area model to find the product of 26 and 5

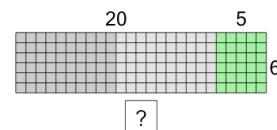

A	B	C	D	E	F
133	130	128	134	126	132

5 Use the area model to find the product of 24 and 2

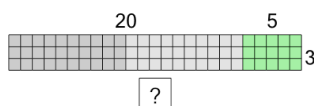

A	B	C	D	E	F
51	46	44	45	48	52

6 Use the area model to find the product of 25 and 6

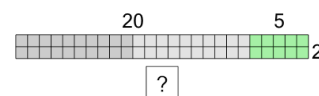

A	B	C	D	E	F
150	152	147	146	154	153

7 Use the area model to find the product of 25 and 3

A	B	C	D	E	F
78	75	77	71	70	79

8 Use the area model to find the product of 25 and 2

A	B	C	D	E	F
48	46	54	50	47	52
