

Probability Permutation or Combination - Notation to Order Matters

1

$5C_4$

Does the order of selection matter?

A Order does not matter

B Order matters

2

$4P_2$

Does the order of selection matter?

A Order does not matter

B Order matters

3

$4C_3$

Does the order of selection matter?

A Order does not matter

B Order matters

4

$6P_3$

Does the order of selection matter?

A Order does not matter

B Order matters

5

$6P_2$

Does the order of selection matter?

A Order matters

B Order does not matter

6

$6C_2$

Does the order of selection matter?

A Order matters

B Order does not matter

7

$4P_3$

Does the order of selection matter?

A Order does not matter

B Order matters

8

$5C_2$

Does the order of selection matter?

A Order matters

B Order does not matter
