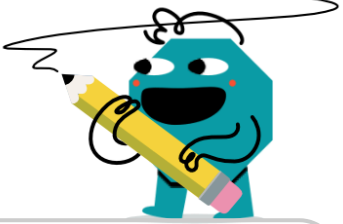
Name



Probability Discrete vs Continuous - Random Variable to Discrete or Continuous

1 Is this random variable discrete or continuous?	Total goals scored during a hockey game	**2** Is this random variable discrete or continuous?	Weight of a package being shipped
A	B	A	B
Discrete	Continuous	Discrete	Continuous
3 Is this random variable discrete or continuous?	Questions skipped on a final exam	**4** Is this random variable discrete or continuous?	Amount of rainfall during a storm
A	B	A	B
Discrete	Continuous	Discrete	Continuous
5 Is this random variable discrete or continuous?	Time required to complete a marathon	**6** Is this random variable discrete or continuous?	Blood pressure of a patient
A	B	A	B
Discrete	Continuous	Discrete	Continuous
7 Is this random variable discrete or continuous?	Fuel remaining in a vehicle's gas tank	**8** Is this random variable discrete or continuous?	Depth of snow after a winter storm
A	B	A	B
Discrete	Continuous	Discrete	Continuous
