

Probability Union, Intersection, Complement - Coins Example Problem to Venn Diagram

1

Which Venn diagram represents the probability of flipping at least one heads in 3 tries?

2

Which Venn diagram represents the probability of flipping at least one heads in 5 tries?

3

Which Venn diagram represents the probability of flipping tails twice in a row?

4

Which Venn diagram represents the probability of flipping at least one heads in 2 tries?

5

Which Venn diagram represents the probability of flipping tails at least once given two tries?

6

Which Venn diagram represents the probability of flipping heads twice in a row?

7

Which Venn diagram represents the probability of flipping at least one tails in 5 tries?

8

Which Venn diagram represents the probability of flipping heads at least once given two tries?
