

Statistics Data Organization - Sampling Scenario to Sampling Method Name

<p>1</p> <p>Which sampling method does this scenario describe?</p> <p>Survey the first 100 people entering a shopping mall.</p> <p>A Convenience sampling</p> <p>B Systematic sampling</p> <p>C Simple random sampling</p> <p>D Cluster sampling</p>	<p>2</p> <p>Which sampling method does this scenario describe?</p> <p>Sample households from each neighbourhood based on its population.</p> <p>A Convenience sampling</p> <p>B Systematic sampling</p> <p>C Voluntary response sampling</p> <p>D Stratified sampling</p>
<p>3</p> <p>Which sampling method does this scenario describe?</p> <p>Invite readers of a newspaper website to participate in an online poll.</p> <p>A Stratified sampling</p> <p>B Cluster sampling</p> <p>C Systematic sampling</p> <p>D Voluntary response sampling</p>	<p>4</p> <p>Which sampling method does this scenario describe?</p> <p>Place a QR code on posters inviting people to complete a survey.</p> <p>A Voluntary response sampling</p> <p>B Convenience sampling</p> <p>C Stratified sampling</p> <p>D Simple random sampling</p>
<p>5</p> <p>Which sampling method does this scenario describe?</p> <p>Survey people walking through a city park during your lunch break.</p> <p>A Simple random sampling</p> <p>B Stratified sampling</p> <p>C Convenience sampling</p> <p>D Systematic sampling</p>	<p>6</p> <p>Which sampling method does this scenario describe?</p> <p>Email a questionnaire to customers and let them decide whether to reply.</p> <p>A Systematic sampling</p> <p>B Voluntary response sampling</p> <p>C Stratified sampling</p> <p>D Simple random sampling</p>
<p>7</p> <p>Which sampling method does this scenario describe?</p> <p>Randomly choose voters from each province according to provincial population.</p> <p>A Systematic sampling</p> <p>B Cluster sampling</p> <p>C Voluntary response sampling</p> <p>D Stratified sampling</p>	<p>8</p> <p>Which sampling method does this scenario describe?</p> <p>Ask classmates in your math class to complete a questionnaire.</p> <p>A Cluster sampling</p> <p>B Convenience sampling</p> <p>C Simple random sampling</p> <p>D Systematic sampling</p>
